

# Imporant League Meeting on Tonight

## FUTURE OF LEAGUE IN DOUBT NOW

### Trouble on Saturday Makes Situation Rather Bad.

After the meeting of the team managers at the Y. M. C. A. this evening it will be known definitely whether the city league is to play on the schedule or to break up. Unless some arrangement can be made whereby the Mining Machinery team can play the games it has yet to play, it is likely that the league will go by the boards, on account of the fact that there is too big a difference between first place and third to make the race interesting. Following the difficulty at the ball park Saturday afternoon, President Bohler announced that unless some arrangement could be made whereby the Mining Machinery could put a team in the field, he would have nothing more to do with the league. Every team manager is expected to be at the meeting this evening, as the session will be a very important one.

The game Saturday was called off at the last minute. Both the Grocers and Machinery had taken fielding practice, when objections were made to Miller playing in the line-up of the Machinery, claiming that Miller had not been fair in the labor trouble at the Mining Machinery plant. Captain McNeil, after a conference with Walter Stockley, decided not to withdraw Miller from the game, and consequently no game was played. A fair turnout of fans had to be made at the time, and the future of the city league became a very uncertain matter.

Monograph Glass and Bando will battle at six this evening, weather permitting, and the meeting of the managers will be held about 8:15 or so soon after the contest as possible. It is a very unfortunate circumstance that has arisen and it is hoped that some adjustment of the trouble can be made this evening.

## ONE OF THE "WHALES" IN ACTION.

### Sport Chatter

The reason why so many are late to supper in certain cities is as follows: It is mid August and Brooklyn is in first place in the National league by a margin of six points over the Reds. Cleveland is in first place in the American league with 63, Chicago in second place with 62 and New York in third place with 62. Let bugs rave on—it is fine weather for raving.

### Great Crowd to See This Game

MORGANTOWN, Aug. 16.—The local interest and even state interest in football is as yet not at the "boiling point." Plans are already on foot to provide for the largest crowd that has ever been gathered at an athletic contest when Wesleyan college and the university meet at South Side park on Sept. 25th.

Here on last Thanksgiving day eight thousand and five hundred people watched West Virginia trounce her old rival, Washington and Jefferson. The most authentic statistics available reveal that this crowd exceeded by more than two thousand the largest previous gathering and now stands as the state record for attendance.

At present there are only fifteen hundred seats at South Side Park, but two thousand portable seats will be shipped by auto truck from Morgantown and it is planned to erect about six thousand temporary seats on the west side of the field and at the ends. The Monopahela Valley Traction Company, owners of South Side Park, are co-operating in this work and it is probable that seats will be erected merely as they are sold at the advance sale which will start on September 11th, two weeks before. Good roads in all sections at the date of the game contribute to the expectations regarding the size of the crowd. Present plans call for approximately ten thousand seats for the contest.

### Tariff League Has Interesting Button

The American Protective Tariff League has just issued its campaign button which reads as follows: "Harding and Coolidge Smite 1929" and on the back of the button are the words "Protective Prosperity." The smile is in red ink across the button and as large as the space will allow. Two buttons sent to any address by letter mail for six cents; address: W. F. Wakeman, Sec. 33, Broadway, N. Y.

## SUNDAY GAME AT SOUTH SIDE LOT

### Abbott and Joyce in Great Slab Battle Yesterday.

Yesterday at South Side park the fast Johnstown team took the All-Stars into camp by the score of 3-0 in a fast and interesting game.

The game was a pitcher's duel between Joyce and Abbott the former getting the best of the battle. Joyce allowed but one hit; this was a scratch single made by Charley Long, while Abbott was touched for five bingles. His two errors in the eighth inning paved the way for the Johnstown team.

Up until the eighth inning the game was of big league style each team went one, two three. In the first of the sixth the Johnstown team made a strong bid for a score but a fast double play ended this. Craig first up got the first Johnstown hit when he singled to center field. Thompson next up sent a hot liner to the box which Abbott grabbed and threw to Belt in time to double up Craig at first. Bowers next up smashed one to left good for two bases. O. Belt ended the inning by fanning. Nothing happened till the eighth inning. Craig first up was safe when Long threw wild to first base; Merrill next up laid down a bunt and was safe when Abbott fumbled it. Ellis then singled to left field; Craig was held at third. Thompson up with the bases full bunted one down the first base line which was good for an easy double play but Abbott while trying to pick it up kicked the ball. Craig scoring and the bases still loaded. Bowers got his second hit of the game when he singled to right scoring Merrill and Thompson, this ending the scoring. Bowers fielding and hitting was the big feature of the game.

## THIRD PARTY STUFF

### Traction Lads End Road Trip

During the last three days the Traction team has played some great baseball, and finished up the road trip. While the team lost two of the last three games on the road good baseball was played. Friday the Traction lads defeated Butler 3-2, and on Saturday they dropped a close game to Salem 2-1 and yesterday were defeated by the fast Youngstown team 5-2. The fans who have seen the team in action are well pleased with the club. This Friday and Saturday Westinghouse will play the Traction club at South Side park and good games are expected. The Westinghouse club is one of the fastest independent teams in the Pittsburgh section. Next Sunday the Traction team plays at Blackshere park with the Consumers.
